Twelfth grade, senior year, or grade 12 is the final year of secondary school in most of North America. In other regions it is also equivalently referred to as class 12 or Year 13. In most countries students then graduate at age 18. Some countries have a thirteenth grade, while other countries do not have a 12th grade/year at all. Twelfth grade is typically the last year of high school ...

History. Following the Munn and Dunning reports published in 1977, the Standard Grade replaced the old O-Grade qualification, and was phased in from then onwards.. Standard Grade courses were taken over a student's third and fourth year in secondary education. Exams were taken at the end of the 4th Year (around May), with preliminary examinations taken several months earlier in November.
