BLM-8.8 Chapter 8 BLM Answers - Mrs. Griffiths - Home

The Bureau of Land Management (BLM) is a federal government agency that cares for public lands. These lands are managed for many different uses and belong to all Americans. BLM lands provide energy resources, such as coal, oil, and natural gas. They provide habitat for wildlife, food for grazing animals, and timber for people.

Citizen Scientists at Work! - Bureau of Land Management

This class website is designed to help students who prefer listening in class rather than scramble to take down notes, students who have missed a class, students who are struggling and need extra help, and for students to read their notes without taking their binder and textbook home with them. All of my daily board notes are uploaded onto this site.
